HORSE SAFARIS

STANDARD BEACH & BUSH RIDE:

Our standard one-and-a-half-hour ride is the most popular and convenient for holiday makers. The ride incorporates all the wonderful eco-systems in the archipelago; wide open beaches, incredible cliff top views, pristine dune bush and mangrove shoreline. We will give you insight into the incredible history of Chibuene and make the

ride as enjoyable as possible. Riding is best done at low tide and suitable for non-riders

OCEAN WALK: **\$60** p/p

(+-45 mins & tide dependent)

An incredible experience and something you will never forget. To start you lead your horse into the sea, there is a sense of excitement as they thrash the water, then lay down to wallow and roll. Once the horses have settled, you will mount bareback and wade out to the deeper water following your guide along the coastline past colourful

dhows and sandy beaches towards distant Mangrove trees. The Ocean Walk is **ONLY** available in calm conditions and at mid to high tide when the water is deep. It is suitable for non-riders

**Please note that this activity CANNOT be paid by card - US\$ / MZN welcome*
